

Rifle Practice Range Rules

- When moving to the line from parking area, ensure firearms are unloaded and cased, or Empty Chamber Indicator (ECI) is inserted
- Remain behind the firing line at all times
- Never Go Down Range
- No shooter supplied targets are permitted; steel targets on range only
- No cross firing. Fire directly down your lane
- Maximum of three shooters per bay at a time
- Maintain muzzle awareness at all times to avoid sweeping a fellow shooter

Authorized Firearms and Ammunition

- Centerfire and rimfires rifles, muzzleloaders and shotguns firing slugs only
- No steel core, tracer, or armor piercing rounds – check your ammunition before firing – magnets are provided
- No rounds with a muzzle velocity greater than .308 Winchester or 7.62 NATO

Police your brass and trash before departing the range
